Application Serial No. 10/691,300

REMARKS

The present application was filed on October 22, 2003 with claims 1-26. In the outstanding Office Action dated May 16, 2005, the Examiner has: (i) objected to the drawings; (ii) objected to the specification; and (iii) indicated that claims 1-22 and 26 are allowed.

In this response, the specification has been amended to correct a typographical error, as suggested by the Examiner. Figure 1 of the drawings has been amended by including the legend "Prior Art," as suggested by the Examiner. Claims 23-25 have been canceled without prejudice as being drawn to a non-elected invention.

In view of the above, Applicant believes that the present application is in condition for allowance, and respectfully requests withdrawal of the objection to the drawings and specification.

Respectfully submitted,

Date: June 30, 2005
